Classroom Strategies

To Support All Learners

Dyslexia Ireland

Strategy 1: Clear and Multi-Layered Communication

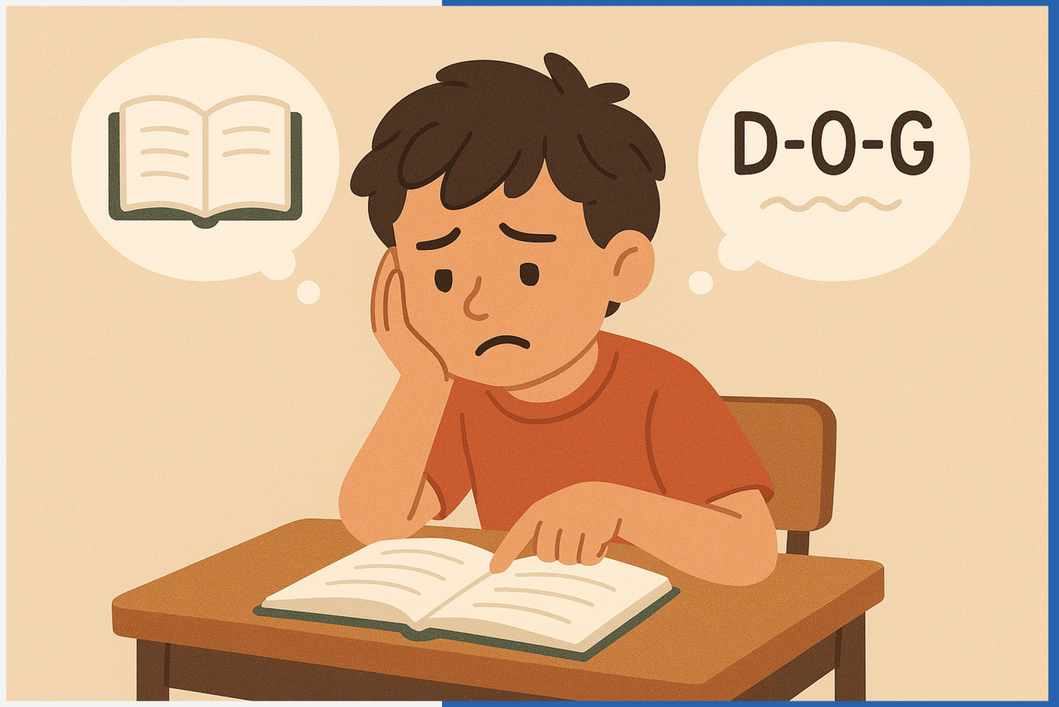
Provide instructions in multiple formats: verbal, written, visual.

Use visuals to reinforce key points.

Check for understanding to ensure clarity.

Dyslexia Ireland

Strategy 2: Consideration for Reading & Spelling Challenges



Don’t put dyslexic students on the spot for reading aloud (unless you’ve sought prior consent).

Only correct spelling when necessary (e.g., in assessed subjects).

Mindful Spelling Correction in language subjects. Don’t correct EVERYTHING

Check Student Support Files for accommodations.

Dyslexia Ireland

Strategy 3: Multi-Sensory Learning & UDL

Engage multiple senses: sight, sound, touch, movement.

Offer flexible ways for students to show understanding.

Provide templates to help structure writing.

Dyslexia Ireland

Strategy 4: Differentiation

The need to differentiate learning.

AI tools can help personalise lessons.

Assistive Technology.

Dyslexia Ireland

Strategy 5: Collaborative Learning

Higher-level thinking

Better communication

Self- management

Leadership skills
